Dear Sir:

In the Official Action dated November 23, 2001, the Examiner indicated that the application failed to comply with the requirements of 37 C.F.R. 1.821-1.825, as the content of the computer readable form does not comply with the requirements of 37 C.F.R. 1.823 and the computer readable form that has been filed with this application has been found to be unreadable.

Submitted herewith is a substitute computer readable form (CRF) copy of the "Sequence Listing" and substitute paper copy as required by 37 C.F.R. 1.821(e). Applicants state that the content of the substitute paper copy of the Sequence Listing as originally filed and the substitute computer readable form copy submitted herewith are substantively the same and include no new matter, in accordance with 37 C.F.R. 1.821(e), (f) or (g), or 1.825(b) or (d).

It is believed that the present submission represents a full and complete response to the Official Action, and consideration on the merits is respectfully requested.

Respectfully submitted,

DAVID Y. HUI
